Hello Center Pointe Family,

I am excited to announce that we will be embarking on a journey together in the next 6 weeks as we explore what it means to engage with God, our community, and the world around us.

To help us along the way, we have created a journal that will serve as our guide. This journal will provide us with scripture, prompts for reflection, and prayers to help us put what we are learning into action.

As we journey together, I encourage you to be intentional about engaging with the content of this journal. Set aside time each day to reflect on what you have read and pray for God's guidance and direction. Most importantly, be open to the ways in which God may be calling you to engage more fully with Him and with the world around you.

I am excited to see how God will work in and through us as we take this journey together. Let us commit ourselves to being fully present, and engaged in this journey together. Trusting that God will use it to transform us and to bring about His purposes in our lives and in our community.

Blessings,

Pastor Dwayne

"I thank my God in all my remembrance of you, always in every prayer of mine for you all making my prayer with joy, because of your partnership in the gospel from the first day until now. And I am sure of this, that he who began a good work in you will bring it to completion at the day of Jesus Christ."

Philippians 1:3-6

Reflect

Engaging with God's goodness means partnering with him in his work. It means being grateful for the work he has begun in us and trusting that he will bring it to completion. It means joining in his mission to share the gospel and make disciples, using our gifts and resources to further his kingdom.

How can you partner with God in his work today?

Pray

Heavenly Father, we thank you for the work you have begun in us and for the opportunity to partner with you in your mission. Help us to use our gifts and resources to further your kingdom and share the gospel with others. May we trust in your faithfulness to bring your good work to completion in us. Amen.
